

PRESENTS

Holistic Practices Conference

Join more than a dozen experts from both the field and academia for an exciting two-day conference that will explore the innovative and growing field of holistic practices. This experiential event will examine various holistic approaches from theoretical, practical and research perspectives. Topics to be discussed include:

- Aboriginal healing
- Somatic Experiencing
- energy work
- connections with nature and animals
- expressive arts
- approaches of healing beyond the individual and challenging societal oppressions
- incorporating holistic practices into agencies, programs and practices
- Indigenous healing for immigrants
- transpersonal techniques
- holistic health and nutrition
- meditative techniques
- alternatives to talking therapies

\$350

Coffee breaks and lunch included.
